This is a story about shitty people doing shitty things.

This story is about assholes and sycophants being too stunned to understand they are no more special than anyone else; and they don't deserve more; they are just fucking entitled and blind to how horrific they are as human beings.

This is a story about the sweetness of Revenge.

By the time, April 4, 2023, had rolled around, Charlie's career had been stripped from him for a total of 1,066 days. Stripped is too light of a fucking description. A friend of Paul's, named Crick, replaced Charlie. Paul swore Crick was using drugs and needed to be watched like a hawk; however, being the "YES MAN" and entitled sycophant he is – he could not understand the only reason he was employed at Don't Go Chasing Waterfalls Corp (DGCWFC) was that Paul's father was the Vice President of one of the largest companies in an industry DGCWFC wanted to do business with.

Paul never went to school, barely read, and once called a black girlfriend, his Nubian Princess. And yet, Paul had a boat, a Mercedes, and a collection of \$10,000 watches – he convinced himself he earned himself. Wow!

Entitlement is a powerful drug; Paul was too stunned to comprehend why Oscar, the owner of DGCWFC, employed him. He didn't comprehend Oscar was exploiting him.

Oscar is so fucking deluded he actually believes they put struggling humans on this earth to enrich him – and if you plied potential clients with booze, strippers, *donuts*, cocaine, you never had to grow. Oscar's skill set was limited to booze, strippers, *donuts*, cocaine, and other illicit substances. Substances he often sent those he was exploiting into the mean streets to get for him from dealers. Seriously.

Oscar was too fucking deluded to understand that when, one year, 2008, during a global financial collapse, with his Golden Goose (DGCWFC) teetering on the precipice of doom – that if it weren't for the outsider, Charlie, a man with much life experience and skills far greater than the limitations of booze, strippers, *donuts*, and cocaine – DGCWFC wouldn't have survived. Charlie was a man adept at communicating with people, and if it weren't for Charlie, Oscar's Goose was about to be cooked, because his nepotistic business model had employed immature twenty-somethings who likely needed help to tie their shoes.

Charlie saved DGCWFC from the trash heap; and unbelievably, years later, with Oscar's memory fading, he turfed Charlie. That's how marginality pays back loyalty.

This is a story about Oscar, Paul, and a third one, Toddy – a man who boasts of being a family man while also boasting of all the women he's fucked, in front of others – English doesn't have the words to describe how marginal these three are. Oh yeah, it's a story about them.

Why did Toddy boast about fucking?

This story is about fighting monsters, with the dexterity of not becoming one yourself.

This story is about how monsters don't care about the damage they inflict upon others.

This is a story about predators eviscerating their prey.

Before they unceremoniously put Charlie on the shelf, he had given roughly 5,800 days to DGCWFC, never taking time off. Oscar, during the financial meltdown of 2008, handed Charlie the keys to his Golden Goose and allowed Charlie to save his company, while Charlie continued enriching him. Oscar never had to worry one iota about whether his Golden Goose was in excellent trustworthy hands. And at the same time, Charlie was proficient at sparing Oscar the expense of booze, strippers, *donuts*, cocaine, and *occasionally, logoed key chains*.

How did Oscar repay Charlie for bestowing him riches?

He canned him the first chance he got—with the help of a virus ravaging the globe, without remorse or understanding of how his actions might destroy several lives.

What's the saying: Blood begets blood.

If it weren't for Paul's ten years of feigning friendship with Charlie, Oscar would be the worst person Charlie had ever met. But because Paul is an entitled faker (exceptional descriptor), he climbed to the top of the disgusting list, as Oscar continues to meander through life *being the only person he can be*; Oscar, a cowardly marginal piece of... And as Toddy searches for more ears to listen to him boast about his conquests.

2

This is a revenge story.

Is that a threat?

You wish.

Revenge will be sweet.

Don't become the monster yourself.

The clock is ticking on DGCWFC.

What?

A few leaks should start the downward spiral rotating.

How long?

ADVICE: GET. OUT. OF. THE. BUSINESS. NOW. ... is the only thing...

This is a story about the failings of the legal system.

This story is about speaking the truth and not allowing yourself to be walked over and exploited.

This is a story about putting monsters in their place.

This is a story about taking out the trash.

THE MEETING

THE MEETING

GRIM

If the kills don't pick up around here, I will have to make changes; it's been almost 100 days since our last kill. We can't go on like this. We are losing sponsors.

TEXAS

We have sponsors?

JEFFREY

Yeah, all the major news networks, and because of our slump, they are being forced to broadcast politics, politics, politics.

HANNIBAL

Have any of you tried the new high-end cereal bar on the corner?

THE GREEN RIVER

Fucking gentrification, I tell you, serial killing is a dying art form.

TEDDY THE MASS SHOOTER

13 Maybe I picked the wrong time to switch from tower shooting of strangers to a more individual stalk and... and... and I want to make it on an episode of Criminal Minds.

GRIM

SILENCE. SILENCE WHEN I SPEAK.

RICKY BOBBY

Do you guys know when the continental breakfast starts? Ripper told me there was a continental breakfast daily.

TEXAS

Fuck, Ricky Bobby, it's 8 PM; who eats breakfast at 8 PM?

RICKY BOBBY

I'm on speedway time.

HANNIBAL

What?

GRIM

SILENCE. Okay, guys, before I lay down the law, you can have 15 minutes to splash around in the pool.

TEXAS

Can we frolic?

GRIM

Sure, frolicking would be okay.

TEX

Yay.

FIFTEEN MINUTES PASS

GRIM

I've completed the roll call. Has anybody seen Sam? Where the fuck is Sam?

JEFFREY

I think he's on a date.

GRIM

A killing date, I hope.

... ..

JEFFREY

14 No, I think he's in love.

He found someone he liked on the new dating site: Please Don't Be a Maniacal Psychopathic Serial Killer.

He swiped right, and now he's with Tiffany. He might eat her eyeballs, but he promises to love her until...

... ..

GRIM

He kills her?

JEFFREY

No. Forevermore. Or at least until Tiffany gets an eye transplant. He feels awful because he accidentally ate hers. He's paying for the transplant.

GRIM

I thought you said might eat? How's he going to pay? Serial killing isn't a paid gig.

JEFFREY

He got himself a job at RadioShack. Sorry for misleading you: he ate.

... ..

GRIM

The one at the Mega Mall?

JEFFREY

That's the one. That mall has a wicked water park.

GRIM

Hits, you seemed to have packed on a few pounds.

Pinch. Pinch. Pinch.

HITS

Stop pinching me, Grim. I don't like that.

GRIM

It's okay, Hits; I like a little cushion.

Order. Order. I call this meeting to order. I've noticed the mood around here has been a little down lately – with the no kills and all.

... ..

15

RICKY BOBBY

Can I suggest something?

... ..

GRIM + TEXAS + JEFFREY + THE GREEN RIVER + HANNIBAL + HITS

NO. AND WHY AREN'T YOU WEARING A SPEEDO?

... ..

GRIM

I'm afraid the council has spoken. We will have to make cuts, and lucky for all of you, since Sam isn't here, he's cut – out on the street, going solo, gone. So, I've rented out his room to a group of evangelicals.

JEFFREY

Tempting.

GRIM

And I've leased one of the three retail spaces to an ultra-modern German beer joint.

HITS

Yay.

GRIM

If you guys don't...

TEDDY (MASS)

Don't worry, Grim; I'll get us back on track.

GRIM

You must obey the rules.

TEDDY

I must not, will not, not, not, not, I just will, will, deadly death doorknob.

HANNIBAL

Teddy, are you high?

TEDDY

Higher than you.

DING. DONG.
DING. DONG.

16

GRIM

Texas, can you get the door?

Tex cranks the door open.

TEX

Valerie, what are you doing here?

VAL

I, I... I... you dropped your umbrella; I'm returning it.

TEX

Val, do you want to grab a slice of pie?

Val nods.

TEX

Of course, I promise I won't kill you.

... ..

RICKY BOBBY

I love you guys.

... ..

GRIM

That's it for the meeting; if we don't throw 8 kills up on the board this week, I am lifting the ban on serial killers killing serial killers.

HANNIBAL

Hits?

HITS

Yes.

HANNIBAL

I don't think you are really the real Hitler. You're far too young, and I think you are Puerto Rican.

... ..

HITS

I was born in Brauna am Inn, Austria, in the Puerto Rican section. I just took a DNA test, turns out I'm 100% that bitch and found I come from a long line of Hitlers dating almost back to the big deal. Just shy, before we made it to the main man, my Hitler family tree branched off into Klaus, with the odd sprinkling of Martinez. My mum was named Adolf, my dad was named Adolf, our cat, our dog, our donkey, our schnitzel—all were named Adolf. Family get-togethers were tough because mum (Adolf) liked control, so she placed settings with name tags. So, with everyone called Adolf, it was a travesty.

... ..

HANNIBAL

Hits, do you even like killing?

HITS

I don't know. I've never tried it.

HANNIBAL

Why are you here?

HITS

The driver took me straight here when I got off the plane and hopped in a cab. When I walked through the door, Grim, who immediately handed me a bowl of Alpen, greeted me.

HANNIBAL

Duck.

HITS

That was close. Was that Tex's brother Tim flying over my head?

HANNIBAL

Yeah, some bouncer didn't hear about the no-tossing ruling.

... ..

RICKY BOBBY

Have any of you guys seen my car keys?

... ..

JEFFREY

Where did you have them last?

Hey, Hits, are you still up for opening a sausage and borscht restaurant?

TEDDY

I need more bullets.

HANNIBAL

Teddy, nobody likes you.

TEDDY

I can change.

HANNIBAL

Nobody changes.

TEXAS

18 Do you guys want to hear about what I copied at Kinko's today?

JEFFREY

Fucking gentrification.

TEXAS

This is an excellent place to stop this episode. Have any of you guys watched the show the Norsemen? Jim says it's a lot like this.

TEXAS

I got to go pee.

HANNIBAL

I just pee in the pool.
