SPARKLY PINGLE BALL: TIMMY ORIGIN STORY

Sparkly?

Yes, my love?

I think it is time?

Time for...?

I want to tell Timmy the truth, so he can finally get out of the well.

3

Do you think he can handle it?

Sparkly, he's globetrotting around the world searching for his father, I think the least we can do is tell the truth about who his father is?

Sparkly...?

Yes, Slut³⁴.

Okay, I, let's, let's do a group chat invitation for everyone who was there on Orgy Night, you entered the Booth of Isolation with, and reveal the results of the DNA test.

The Booth of Isolation

The Booth of Isolation

Sure Jazz.

TIMMY GLOBETROTTING IN SEARCH FOR HIS FATHER

6

Are you, my father?

Sorry

7

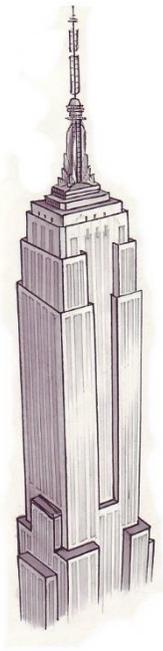

Are you, my father?

You already asked me that. What are you daft?

Sorry

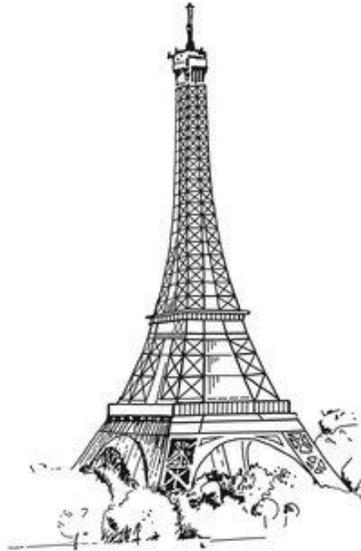

8

Are you, my father?

Sorry

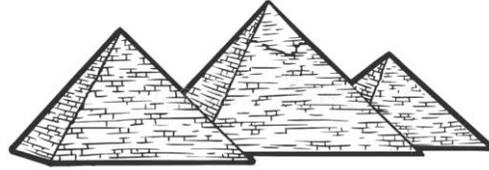

9

Are you, my father?

Pardon

10

Are one of you, my father?

معذرة. معذرة. معذرة.

11

Are you, my father?

No. First, I'm a little boy. Lastly, I've been here peeing since the 1600s, I'm cold. I don't remember even drinking anything. Why am I not losing weight?

Do you know where I can get some fries?

12

Are you, my father?

Sorry

13

Are you, my father?

Sorry

Are you, my father?

14

I wish. Pardon Timmy. When you were conceived, I was in rehab. In fact, my entire existence I've been in, what's the most versatile word of the peasant English language, oh yeah, for my entire existence, I've been in 'fucking' rehab. I have an issue with being gawked at—and I love cocaine. And those toads you lick, and Ray Parker Jr. But Timmy, as much as I do love your mother, Tiny, I've never left this 'fucking' wall. In fact, I think I was here first, and they built the damn Louvre around me. And Timmy...

Can you please shut up.

Timmy, would you like a baguette?

SPARKLY PINGLE BALL: TIMMY ORIGIN STORY

Are you, my father?

Sorry

Not you Vancouver Steam Clock.

The guy over there with the shopping cart, are you, my father?

Sorry. I'm having a tough time processing things right now.

Because you're homeless?

No, because some fucking Ghost Thumb loaded on Ketamine was pissed off because some of us poor people are living in tents, the fucking thumb thinks the tents cost \$500. The fucking thumb thinks we haven't earned the right to live in a fucking tent. The fucking thumb took my tent away. Before he did, he screamed why don't you get a squeegee. He said some of the squeegee people make \$100 a day. He seemed pissed off about that as well. I asked him where he gets his information from? Do you know what he said? He said he's 'fucking' making it up. How homeless does somebody have to be before they get some empathy and compassion?

So, you are not my father?

Sorry, if you tell me where your mother is, I could try to make you a brother or sister?

Why are you homeless, is it because you're lazy?

Kid, you asked a fucking clock, if he was your father, and you live in a fucking well. What do you call yourself? You better run, here comes the Thumb. He's probably going to try to tell you, you don't deserve to be living in a well.

Do you think he might be my father?

SPARKLY PINGLE BALL: TIMMY ORIGIN STORY

Stephen Colbert?

Yes, Timmy? And no, I am not your father.

What are you doing here?

I can't get me enough of this clock.

Are you a cool vampire?

I used to be a vampire. I'm a werewolf now. Did you know a werewolf can kill a vampire.

I do now.

Stephen?

Yes.

I just got a text from Sparkly Pingle Ball and my mother, Tiny, they want me to come to the Town Hall, they say they are going to reveal the identity of my dad.

I was cheering for the clock.

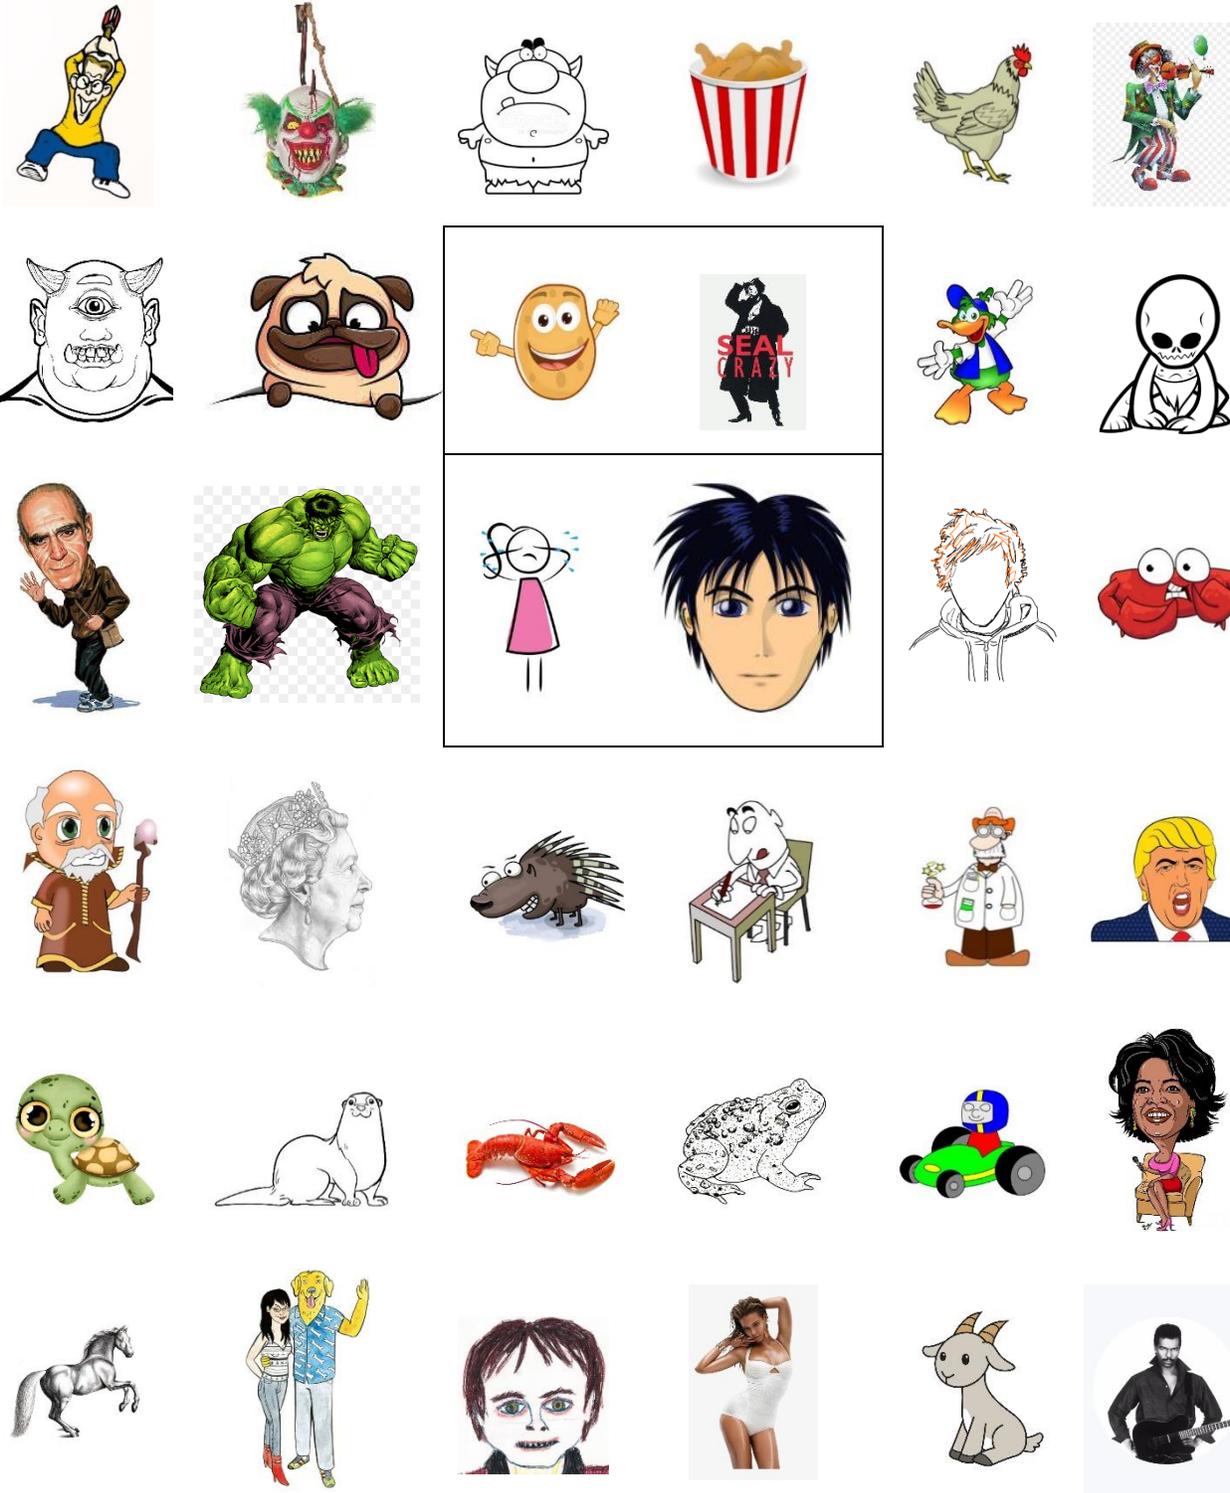

Stephen, I hate to burst your bubble, it's not run-on steam. And not only that, but it also had sex with the barge that had run up on the beach.

Gross.

Stephen, will you come with me to the Town Hall, I could use a friend right now.

Will do, Timmy.

As all 34 of you know, I entered the Booth of Isolation with each of you on Orgy Night. Afterward, each and every one of you slut shamed me, calling me Slut ³⁴. But the fact of the matter is this, on Orgy Night, in the Booth of Isolation, I only allowed one of you to deflower me. Forty weeks after being deflowered, my beautiful son Timmy was born. The one I allowed to deflower me is...drum roll...please. Timmy's father is....

18

Timmy's father is...? Great, Timmy, you made it just in time. Is that Stephen Colbert?
What's the Steam Clock doing here?

You don't wonder what Stephen is doing here? But the clock?

Timmy, why didn't you bring the barge?

Mommy, it's gone.

Where was I?

Who's my father?

Timmy your father is...?

On the Next Episode of the Late Show with Stephen Colbert

Oprah, what are you doing here?

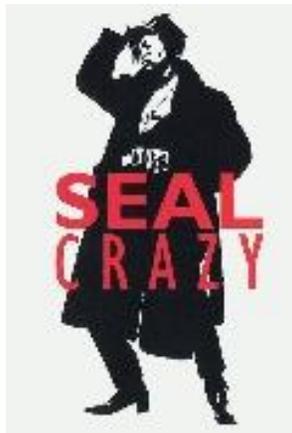

I was at the Town Hall.

That means: You were in the Booth of Isolation with Tiny.

I was. For the record, I never, and would never, slut shame her, or anyone for that matter.

Sing us out, international singing sensation, and Jazz's, plus one, Seal.

That what he goes there for, is to unlock the door
While those around him criticize and sleep...*

We get a little crazy

No we're never gonna survive unless

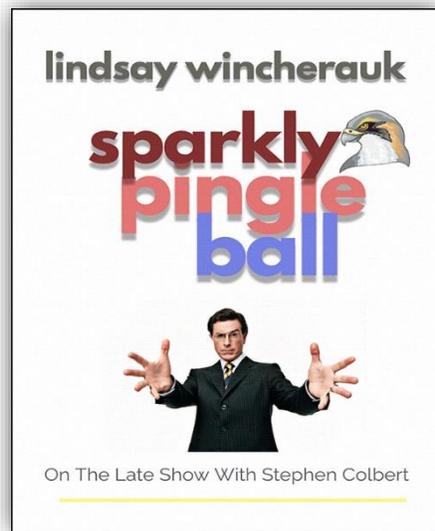

We are a little crazy...
